GENERAL CONDITIONS:

1.- This tariff shall be effective as of May 1, 2026.
2.- This tariff is subject to modifications during its term, which shall be duly notified prior to their effective date.
3.- The charges established herein apply to a single movement only, whether loading or unloading, and represent the maximum amounts to be charged. Discounts may be granted based on the volumes handled, the user's contribution of mechanical equipment for the execution of the service or handling operations, or any other circumstance that results in lower service costs.
4.- The charges and fees set forth here do not include Taxes).
5.- This tariff shall be governed by the applicable services catalog.
6.- All charges incurred must be fully paid prior to the release of the goods or equipment from the Bonded Facility.
7.- All amounts are expressed in United States Dollars (USD).
8.- Payment must be made by the interested party via bank transfer in favor of "NAFTA RAIL, S. DE R.L. DE C.V."
9.- The loading or unloading operation of multimodal equipment at the Intermodal Platform is included in the railway waybill.
