

Mexico Midwest Express

North America's Fastest Cross-Border Rail Service

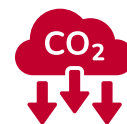

- The first and only single-line service connecting Mexico to the U.S. Midwest.
- Dedicated daily intermodal trains with the fastest transit times in the rail industry.
- Truck competitive option with seamless, expanded reach to more markets.

Fast, reliable single-line service with the fastest rail transit times in the market.

Seamless cross-border expertise connecting Mexico and the U.S. Midwest on a single line.

Efficient, lower-emissions alternative to trucking that reduces highway congestion.
